

CLASSIC MINIS OF NORTHERN FRANCE

Register of accommodation for Northern France

For all those listed in this registry, they are set in the order of receipt for inclusion.

I propose that in order to be fair to everyone, all applications for accommodation will be scrutinised to suit the requirements of the customer. That is, numbers in party, port of entry, their wishes in how far they wish to travel from the port, their wishes for the type of accommodation ie Tented pitching, caravan, B&B or gîtes.

In the case of an overspill, I suggest offering the nearest accommodation to the one chosen. It would all depend then, on whether you have the vacancies.

If any member of the register feels they can improve the way it is conducted, different to my suggestion, please email me on classicminis.nf@gmail.com, but I would reserve the right to consider what is the best option, for all.
